

Curriculum

Hillcrest Covenant Weekday Preschool provides a loving Christian environment and a positive approach to learning. Our goal is to assist children in their growth and development socially, emotionally, intellectually, physically and spiritually. The *2 year old curriculum* provides age appropriate learning activities which include shape, color, and alphabet recognition. These combined with simple biblical concepts, as well as activities to increase large and small motor development provide for a positive learning experience. Our teaching staff is dedicated to providing a safe and secure environment filled with love, laughter and learning.
