

CONFESSION OF SIN

Covenant Book of Worship

We are sorry, God; hear our repentance for our wayward handling of life.

We have squandered time, hoarded money, avoided challenges, and used others.

We have borne waiting grievously, illness stubbornly, trials reluctantly, and responsibility half-heartedly.

We have doubted Your care, mistrusted Your providence, distorted Your power, and ignored Your love.

We have neglected our discipleship, injured our relationships, sabotaged our fellowship, and underrated Your forgiveness.

Forgive us now, we pray, and let us try again, sensitive to Your Spirit, and committed to Your will. Amen.
