Link up with a *small group*!

You were made for community—
and small groups are one of the key places
to engage in the kind of community
that helps us become more like Jesus—
in every area of our lives.

Winter/Spring Small Groups start the week of February 4
and run for 8-16 weeks depending on the length of the study.

Connect with group leaders.

See other side for a list of groups who have room for more.
To connect with the small group you are interested in joining,
just email the group leader to sign up!
