## **Freedom Kansas City**

Steve Fugate

*Freedom Groups are Christ-centered groups for men desiring freedom from being sexually driven. We use a 12 step program for sex addicts developed by Dr. Doug Weiss of Colorado Springs because in our experience of over 10 years of doing groups we have found nothing to be superior or more effective. Freedom Groups are designed to be work/accountability groups, with emphasis on moving forward in dealing with sexual addiction. We attack this addiction with spirit-soul-body healing approach that prepares men to be lions (warrior-leaders) in the Church.*

## **Hidden Treasure Ministry**

<http://www.htmin.com/index.html>

***Mission Statement:*** *To bring emotional healing to those who have been traumatized by sexual abuse and support their families through teaching, emotional support, listening, prayer and discipleship in the Christian faith. We will endeavor to recruit and train up others to minister to do the same.*

*We also endeavor to prevent abuse in all forms by helping people through education, discipleship, training and prayer ministry to strengthen their families and individual lives.*

## **TEENS**

### **Counseling and Recovery Partners**

**Chris Adams**, focuses on our teenage clients.

Unfortunately, we don't have any dedicated groups for teens. There is a 12-step program for teens that meets in Waldo at Christ the King Catholic parish called **Full Circle**. It's a local version of a national program and several of our clients have attended. The program is open to all teens with addiction issues including substances and behavioral addictions (food, cutting, porn, etc.).

Teen Resources

<http://desertstream.org/other-tools/>

The Cross-Current book which is a resource that can be used as an 8 week discipleship course. You could take a group of teens through this material just as long as it is used as a discipling tool. We ask that this would not be open to adults if you are taking teens through this. There are questions at the end of every chapter that the teen can answer. This resources is also available on our site and it is \$10 per booklet. The booklet can be found on our desert stream webstore at [desertstream.org](http://desertstream.org).

Please let me know if you have any further questions. Enclosed is my number if you need to contact us.
