

HILLCREST YOUTH MINISTRIES

HCYM HIGH SCHOOL FALL 2019

HCYM HIGH SCHOOL SUNDAY MORNING TEACHING SCHEDULE

LOCATION: STUDENT CENTER

TIME: 10:45 – NOON

LIFELINES: A Series on Godly friendship

DATES: AUGUST 25 – SEPTEMBER 22

Description: Do you have any friendships you can really count on — the kind of friendships you might call your “lifelines?” God designed us to have friendships we can trust, but God also knew we’d need some help figuring out how to build friendships that are lifelines for each other. In this 4-week series, HCYM will look at the kind of friendship Jesus models for us: friendship that lets us be real, gives us a chance to grow, gives us a group when we feel alone, and can even change the world.

MOSES: An in-depth series on the life of Moses.

DATES: SEPTEMBER 29-NOVEMBER 10

Description: Each week will cover a different aspect of his story, from his early days as a “Prince of Egypt,” to his struggles leading the complaining Israelites through the wilderness, all the way to Moses being told by God that he would not be allowed to enter the Promised Land and the book of Hebrews still calling Moses a man of faith.

DROP IT: A series about dropping certain things in order to find true life in Jesus.

DATES: NOVEMBER 17-DECEMBER 15

Description: “Drop It” is a three-week series that centers on the idea of HCYM students “dropping” certain things from their life in order to find the most satisfying life possible in a relationship with Jesus. It examines the life of three prominent New Testament figures who “dropped it” all to follow Jesus: Mary Magdalene, Peter, and Paul.

GATHER: A morning of interactive worship and prayer

DECEMBER 22

Description: A morning to pause from the busy schedules of school, life, and everything else and focus on Jesus.

1st Sunday of every Month - ALL TOGETHER NOW

As a youth ministry we want to do a much better job of helping our youth connect on a deeper level with the rest of the church. To help with this we are going to be worshipping together/sitting together in the Hillcrest sanctuary the first Sunday of every month. We are working on creative ways to involve and include our students and small group leaders in the service. **This means we will not have a high school gathering in the Student Center on the first Sunday of every month.** Also, we will be having a FREE breakfast for all high schoolers in the Fellowship Hall from 10:15-10:40am on those Sunday's so they can connect with their small group on a face-to-face level before heading upstairs for the service.

High School Events – Once a month we are going to be having high school events built around having fun together and building community together. Events and details are being chosen and planned by our high schoolers.

- September Event - “small group night out”
*Each small group will plan a fun activity to do together with their leaders.
- October, November and December event details coming soon.

Serving Opportunities – We want our high schoolers to not just “go to church” but “be a part of the church.” It is our hope that each of our high school students would serve in some capacity in the life of the church. Not only is their influence on others massive but serving energizes our faith in powerful ways. Here are a couple of ways they can get involved:

- **Children’s Ministry:** Children’s Ministry is looking for high schoolers to serve as small group leaders during the 9:00am service. Email Nicole Guthrie at nguthrie@hillcrestcov.org if interested.
- **Middle School Sunday Nights:** Middle School Ministry has moved their mid-week gathering to Sunday nights. They are looking for a “high school fun team” that will help to run the amazing middle school events that are planned for this year. Email Clarissa Figueiredo at cfigueiredo@hillcrestcov.org if interested.

Spring Break Mission Trip – March 13 – 22

Location: In partnership with Merge Ministries we are heading down to the Yucatan Peninsula in Mexico. During our time in Mexico, we will be spending time in the community of Playa del Carmen as well as the island of Cozumel. More specifically we will be working with children and youth in local communities, sports ministries (American football) and churches. Also, some of our time will be spent working with teenagers in a local Mayan community.
