MOPS @ Hillcrest

If you are an expectant mother or the mother of an infant/toddler/preschooler...then MOPS is for you!

Hi Mommas! Below you will find information about MOPS 2020-2021. This year will be a deviation from our standard MOPS schedule. HOWEVER, we hope that this year can bring joy, community, and support as we navigate the different schedules, circumstances, and uncertainty that seem so prevalent in our lives right now. Our altered schedule this year is directly due to COVID-19, social distancing, and altered school and activity schedules. We hope for and anticipate a return to morning scheduling next year. Thank you, and hope to see you all soon!

Let me introduce myself...

When we moved to KC in fall 2016, I arrived as a new stay-at-home mom to a new city that I was going to call home. It took me a bit to find MOPS, but when I did, I knew I had found a community in which I was welcome, I could be myself, and I could grow as woman, mother, and child of God. I have so enjoyed my time in MOPS and pray you will as well.
