THEME REVEAL...

Let me introduce myself...

When we moved to KC in fall 2016, I arrived as a new stay-at-home mom to a new city that I was going to call home. It took me a bit to find MOPS, but when I did, I knew I had found a community in which I was welcome, I could be myself, and I could grow as woman, mother, and child of God. I have so enjoyed my time in MOPS and pray you will as well.

Announcements/FAQ:

- We need table leaders! If this interests you (even a little bit... it's a small and easy, but oh so important, commitment!) please email hillcrestmops@yahoo.com or text/call Dannica at 360-631-0129 to discuss what being a table leader entails and if it is something you would like to volunteer for this fall.

Q: Should I register now or later?

A: Yes! You can certainly register now, both at mops.org and the Hillcrest link shared above. Early registration allows us to better understand our childcare needs for the fall and planning out our semester.
